Be A
School Wellness Champion

The Children's Aid Society of Franklin County invites parents, guardians, teachers, nutrition services, school staff, and the community to a public meeting about our wellness policy on **February 28, 2020 at 10AM at 255 Miller Street, Chambersburg**. Having healthy choices at school helps keep our children healthy and ready to learn. Our agency's wellness policy helps create an action plan for nutrition and physical activity at school. The public can share their opinions and help make sure the policy is meeting the needs of our residents. **The Children's Aid Society of Franklin County's** wellness policy is available at: www.cas1884.org.

Community members including parents/guardians who are unable to attend the meeting can email comments about the wellness policy or nutrition and physical activity to cbyers@cas1884.org.
